GENERAL INFORMATION

BISA

The British International Studies Association, founded in 1975, acts as a professional body for all those interested in the subject area, and publishes the quarterly, **REVIEW OF INTERNATIONAL STUDIES**. It also runs a series of specialised Working Groups. The Annual Conference is intended to bring together scholars and practitioners from a wide variety of backgrounds and provide them with an opportunity to exchange views on theoretical and empirical issues of current interest; it also incorporates the Association's Annual General Meeting. This year's conference will be held at the London School of Economics.

BOOKING AND REGISTRATION

The conference charges are detailed on the enclosed booking form.

Cheques should be made payable to:
